

START ON THE ROAD TO A CAREER IN MANUFACTURING

Training That Can Connect You to Manufacturing Jobs!

Want to move quickly to earn credentials and get a better job?

The Manufacturing Training and Employment Connection (M-TEC) is a new, intensive 2-week program where you can earn multiple certificates valued by manufacturing employers:

- MSSC Safety Training Certificate
 - OSHA 10 Card
 - Forklift Certificate
 - Lean Manufacturing Certificate
 - Career Readiness Training Certificates
- PLUS**
- Connections to Manufacturing Employers for job opportunities!

2017 classes are filling up at the NIA Center and the Kentucky Manufacturing Career Center.

M-TEC Classes in 2017:

- Jan. 3 – 13 at the NIA Center, 2900 W. Broadway, Louisville, KY
- Feb. 13 – 24 at the Kentucky Manufacturing Career Center, 160 Rochester Drive, Louisville, KY
- Mar. 6 – 17 at the Kentucky Manufacturing Career Center, 160 Rochester Drive, Louisville, KY

We are also still offering the one-month, MSSC Certified Production Technician (CPT) course. The CPT class covers Safety, Quality, Manufacturing Processes and Maintenance Awareness and results in an industry-recognized credential.

- Jan. 9 – Feb. 3 at the Kentucky Manufacturing Career Center, 160 Rochester Drive, Louisville, KY
- Mar. 6 – 31 at the NIA Center, 2900 W. Broadway, Louisville, KY
- May 1 – 26 at the Kentucky Manufacturing Career Center, 160 Rochester Drive, Louisville, KY
