

FREE Training to Connect You to a Great Job in Manufacturing!

Manufacturing Training for English Language Learners (M-TELL) can help you start a career pathway as a supervisor in manufacturing.

The M-TELL training is a new, intensive 3-week program where you can earn multiple certificates valued by manufacturing employers:

- English Language Instruction for Manufacturing
- Safety OSHA 10 Card
- KESC (Ky. Employability Skills Certificate)
- Electric/Pallet Jack Forklift Certificate
- Supervisory Skills

PLUS: You will be connected to jobs at manufacturing companies including AEL-SPAN, Cardinal Aluminum, Dakkota Integrated Systems, Dana Inc., Dr. Pepper/Snapple, GE Appliances, Lastique International Corp., LINAK U.S. Inc., Paradise Tomato Kitchens, Sabert Corp., Workwell Industries and Zenith Logistics Inc.

The next M-TELL class is September 18 - October 6, 2017 at the Kentucky Manufacturing Career Center, 160 Rochester Drive, Louisville, KY.

Both morning and afternoon sessions are available!
